

**MASTERS
OF SMILES**

GLOBAL CONGRESS 2026

16-17 OCTOBER | ROME, ITALY

Benvenuti
and Welcome to
Rome!

Dear Masters,

It is our great pleasure to welcome you to the **2026 Global Congress “Masters of Smiles”**, a celebration of mastery, innovation, and excellence in contemporary dentistry and implantology.

Hosted in Rome, the Eternal City, this congress draws inspiration from a place where precision, vision, and artistry have shaped history for centuries. In that same spirit, Masters of Smiles brings together internationally respected clinicians to share knowledge and expertise that elevate clinical outcomes and help shape the future of patient-centered care.

Over two immersive days, the program explores the full scope of implant dentistry. A key highlight is a live surgical procedure streamed from Portugal, offering real-time insight into advanced perio prosthetic decision-making and execution.

Masters of Smiles fosters connection through interactive discussions, networking moments, and a festive celebration party, celebrating shared passion and a commitment to excellence.

We are honored to welcome you to the 2026 Masters of Smiles Global Congress, where learning, inspiration, community and meaningful connections come together with colleagues from around the world.

Together, let's celebrate excellence and master smiles.

A stylized, handwritten signature in black ink, consisting of several fluid, overlapping strokes.

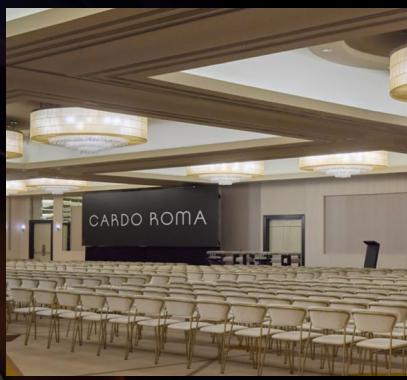

Mr. Winus van Asselt

**Vice President & General Manager
Alpha-Bio Tec. & Implant Direct**

Congress Venue

CARDO ROMA

Viale Del Pattinaggio, 100 Rome 00144 Rome, Italy
